

# Müller Safe GmbH

## Company Outline

- **Contact:** Lisa Kunz
- **Email:** lku@mueller-safe.de
- **Website:** www.mueller-safe.de;  
www.panzer-blast.de
- **Founded:** 1946
- **Profile:**
- MANUFACTURER OF ALL KINDS OF BLAST RESISTANT PRODUCTS
- Our mission is the protection of persons and facilities.
- For this purpose, we develop and manufacture blast doors in different versions. The commitment to design and technical precision is instrumental for our company's success.

## Products

- High-explosion-resistant doors for various applications
- Secure strongroom doors
- Shielded rooms and doors with electromagnetic protection (EMP, EMI) for retail shops, banks, private homes, gun owners, etc.
- Waterproof doors

## Intended Cooperation

- We target distributors in industries such as petrochemistry, power plants, and niche markets. Seeking partnerships with government institutions for direct representation and exploring collaborations for direct sales to end users. Open to cooperation opportunities across diverse sectors.
