

RS-Sicherheitsdienst & Dienstleistungen e.K.

Company Outline

- **Contact:** Mr. Thomas
- **Email:** thomas.ruf@rs-security.org
- **Website:** www.rs-security.org
- **Founded:** 2006
- **Profiles:** Our competent team has been offering you professional services in all areas of security since 2006. We develop security concepts and solutions precisely tailored to your needs. Your ideas need to be implemented. However, depending on the circumstances, this may also involve converting your existing system.

Products

- We evaluate the current situation with regard to the specified guideline.
- And use them to create a functional structure.
- Restructuring
- Training, briefing
- Task-oriented equipment

Intended Cooperation

- We are looking for safety equipment that works safely without Chinese involvement.
- Independent systems camera with multiple lenses (infrared, telephoto, main camera) such as the DJI (drones)
